ELK	4	1	9/01-10/31/2011	80:20					

Due to the lack of complete fences the North boundary follows the existing public access trail through both private and public lands. The trail acts as the north boundary. Those hunting on the CWMU will hunt up to one side of the trail, all other sportsmen will hunt up to the other side of the trail.

<b>Chrises Creek</b>		Private Acres		8270	100 %	Public Acres		0	0 %
