Leases and Easements - Resulting in Long-Term Uses of Habitat Fees shall be determined on a case-by-case basis by the division, using the estimated fair market value of the property, or other legislatively established fees, whichever is greater, plus the cost of administering the lease, right-of-way, or easement. Fair market value shall be determined by customary market valuation practices.	Variab	e		
Special Use Permits for non-depleting land uses of < 1 year	Variab	е		
A nonrefundable application of \$50 shall be assessed for any commercial use. Fees for approved special uses will be based on the fair market value of the use, determined by customary practices which may include: an assessment of comparable values for similar properties, comparable fees for similar land uses, or fee schedules. If more than one fee determination applies, the highest fee will be selected.
