## WHAT IS PROJECT WILD?

Project WILD is a fun way to teach Reading, Writing, Art, Math, Science, Music, Physical Education, etc. It matches wild animals with activities that integrate core curriculums of all grades. Developed by classroom teachers and experts from western wildlife agencies, it is designed to develop awareness, knowledge and skills related to wildlife, people and the environment. It involves kids and animals--the proven formula for generating classroom interest and participation. **Activities fulfill many of the Utah State Core Curriculum Standards & Objectives.** Literature connections offered to supplement activities also promote student literacy skills.

## WHAT YOU GET!

You will receive the nationally acclaimed Project WILD and Aquatic WILD Activity Guides featuring over 160 activities, plus a wealth of free supplemental resource materials, posters and more. Registration fee is \$24.

## CREDIT

Project WILD has been approved for one semester hour of graduate credit through Utah State University for \$30 (paid at training). Or, one can opt for a certificate of attendance for relicensure points instead.

## WHAT TO WEAR AND BRING

Please wear casual, comfortable clothes and sturdy shoes. Some of the activities may be taught outdoors so dress accordingly. Refreshments will be provided during breaks. **Participants must attend full training.** Bring a lunch for Saturday, October 24th.

If you register and then find you are unable to attend, please notify Diana Vos at (801) 538-4719 to cancel your registration so we can allow someone else to take your place.

## Registration Form: Salt Lake Valley, October 23-24, 2009

Preregistration is necessary in order to attend the Project WILD training. To register, please return this portion of the form **and \$24.00** (made out to Utah Division of Wildlife Resources) to: Diana Vos, Utah Division of Wildlife Resources, P.O. Box 146301, Salt Lake City, UT 84114-6301. Registration must be submitted **before October 15, 2009**. You will be e-mailed information about the final training location we are able to secure.
