MEMORANDUM

June 25, 2013

TO: License Agents

FROM: Della Kay Higham
Accounting Technician III

SUBJECT: July Calendar / important information

Please find enclosed a calendar for the month of July.

This calendar will detail the important dates and events of interest relating to the Utah Division of Wildlife Resources and to you, as a license agent.

It can be used for reference and information for your clerks as well as to share with your customers.

Please be aware of the following permits and the dates they are available for purchase.

July 11:

- Any general-season buck deer permits (archery and muzzleloader) remaining after the drawing.
- Youth archery deer permits.

A listing of the permits remaining from the drawing for the buck deer general season archery and muzzleloader is included. It details the season dates, the unit description and the number of permits available. Also, included is a two page listing of the additional archery permits available for youth.

There are no remaining any legal weapon permits.

July 18:

- Any antlerless permits remaining after the antlerless drawing.
- Antlerless elk control permits (available only from license agents and Division offices)

You can buy permits beginning at 8 a.m. on a first-come, first served basis at license agents, Division offices and at wildlife.utah.gov.

Subject:

A valid hunting license or combination license is required to buy any of these permits.

If any general-season archery deer permits remain unsold at the end of the general archery season, they will convert to general-season muzzleloader deer permits on Sept. 16, 2013.

If any general-season muzzleloader deer permits remain unsold at the end of the general muzzleloader season, they will convert to general-season any legal weapon deer permits on October 7, 2013.

If available, you can buy these permits beginning at 8 am from license agents, Division offices and at wildlife.utah.gov.

The combined **Upland Game/Turkey guidebook** will be mailed to your stores by the middle of July.

The application period for:

- sandhill crane
- sage-grouse
- sharp-tailed grouse permits

begins on July 8th and ends on July 22nd.

You may call Della at 801-538-4877 or email dellakayhigham@utah.gov with any questions or comments.

Thank you!
