

**NOTICE OF EMERGENCY CHANGES  
TO THE 2011 UTAH FISHING PROCLAMATION  
OF THE WILDLIFE BOARD FOR THE TAKING  
OF FISH AND CRAYFISH**

I, James Karpowitz, by authority granted in Section 23-14-8 of the Wildlife Resources Code of Utah declare an emergency amendment to the 2011 Utah Fishing Guide. The following has been amended:

**FERRON RESERVOIR (Sanpete County):**

- INCREASE the daily bag and possession limit for trout from four (4) trout and a bonus of 4 brook trout to 16 trout of any species.

This change is effective July 1, 2011 and will remain in effect until January 1, 2012.

Ferron Reservoir will be treated this fall as part of a native cutthroat trout restoration project in the drainage. Limits are being temporarily liberalized allowing anglers to harvest trout that would otherwise be lost as a result of the treatment. The reservoir will be restocked with fish in 2012.

All other rules established in the 2011 Utah Fishing Proclamation remain in effect, except for other emergency changes made since January 1, 2011.
