

**NOTICE OF EMERGENCY CHANGES
TO THE 2018 UTAH FISHING GUIDEBOOK
OF THE WILDLIFE BOARD FOR THE TAKING
OF FISH AND CRAYFISH**

I, Michal Fowlks, by authority granted in Section 23-14-8 of the Wildlife Resources Code of Utah declare an emergency amendment to the 2018 Utah Fishing Guidebook. The following has been amended:

Steinaker Reservoir (Uintah County)

No daily bag limit for any species:

Largemouth or Smallmouth Bass
Rainbow or Brown Trout
Bluegill

This change is effective January 1, 2018 and will remain in effect until December 31, 2018.

The Bureau of Reclamation will be drawing down Steinaker Reservoir in 2018 in preparation for dam repair work. The drawdown will take the reservoir past dead pool and a complete fish kill is expected. It will be restocked with Bluegill, Rainbow Trout, and Brown Trout upon refilling and Largemouth Bass the year after refilling begins.

All other rules established in the 2018 Utah Fishing Guidebook remain in effect.

UTAH DIVISION OF WILDLIFE RESOURCES

By *Michal Fowlks*
Director
