Dear Brine Shrimp Harvester:

The emergency amendment extension of the 2018-2019 brine shrimp harvest season will officially be closed on February 28, 2019 at 6:17 pm MST (official sunset) in both the North and South Arms (lake and shore) pursuant to Rule R657-52-12. Harvest may continue on the salt ponds but must still be reported to the UDWR in the same manner as during the regular season.

Please remember to remove all debris and trash from the shore and lake resulting from harvesting activity.

Thank you for your support of our work here at The Great Salt Lake Ecosystem Program.

Sincerely,

John Luft
Great Salt Lake Ecosystem Program Manager
