

**NOTICE OF EMERGENCY CHANGES  
TO THE UTAH FISHING GUIDEBOOK  
OF THE WILDLIFE BOARD FOR THE TAKING  
OF FISH AND CRAYFISH 2022**

I, Justin Shirley, by authority granted in Section 23-14-8 of the Wildlife Resources code of Utah declare an emergency amendment to the 2022 Utah Fishing Guidebook. The following has been amended:

**Spring Lake Community Fishery (Payson, Utah)**

**The daily bag limit and possession limit for sportfish from the community fishery has been increased to 8 fish. (Common carp do not count towards the daily limit.)**

The Spring Lake Community Fishery will be drained by Payson City this spring to facilitate repairs to the pond infrastructure. Low water levels are expected to result in the loss of sportfish left unharvested. Please obey all area closures that may be established by the city or construction crews.

These changes are effective immediately and will remain in effect until July 11, 2022. All other rules established in the 2022 Utah Fishing Guidebook remain in effect.
