

**NOTICE OF EMERGENCY CHANGES  
TO THE UTAH FISHING PROCLAMATION  
OF THE WILDLIFE BOARD FOR THE TAKING  
OF FISH AND CRAYFISH 2022**

I, Justin Shirley, by authority granted in Section 23-14-8 of the Wildlife Resources code of Utah declare an emergency amendment to the 2022 Utah Fishing Proclamation. The following has been amended:

**Garden City Community Fishery, Rich County**  
-Limit 8 fish

These changes are effective immediately and will remain in effect until September 1, 2022.

Issues with the inlet canal that delivers water to the pond prompt this emergency regulation change. Previous failures in this inlet canal have reduced the inflow of water into the pond and have led to fish kills. This emergency change will provide the public with the opportunity to harvest additional fish in advance of an anticipated fish kill.

All other rules, established in the 2022 Utah Fishing Proclamation remain in effect.
