

**NOTICE OF EMERGENCY CHANGES
TO THE 2022 UTAH FISHING GUIDEBOOK
OF THE WILDLIFE BOARD FOR THE TAKING
OF FISH AND CRAYFISH**

I, J. Shirley, by authority granted in Section 23-14-8 of the Wildlife Resources Code of Utah declare and emergency amendment to the 2022 Utah Fishing Guidebook. The following has been amended:

Boulger Reservoir (Sanpete County)

- INCREASE the daily bag and possession limit for all trout from four (4) trout to sixteen (16) trout.

This change is effective May 19, 2022 and will remain in effect until January 1, 2023.

Coal mining will occur under the reservoir. The reservoir will be drained later this fall and remain empty until mining activities have ceased. Limits are being temporarily liberalized to allow anglers to harvest trout that would otherwise be lost.

All other rules established in the 2022 Utah Fishing Guidebook remain in effect.
