(Incomplete and/or unsigned form will NOT be accepted)

Customer Identification # (CID) _____ Date of Birth _____

Name _____ Phone Number _____

Address _____ City _____ State _____ Zip _____

The UDWR may grant relief when a qualifying natural disaster results in the applicant being displaced from their residence, significantly impedes travel, or otherwise completely or substantially precludes participation in the hunting activity authorized by the permit. **This relief does not include wildfires that impact their hunting unit.**

Application Deadline:

Applications must be received within 30 days following the end of the hunting season listed on the permit.

Select ONE qualifying natural disaster:

- ☐ Wildfire (not on your hunting unit) ☐ Earthquake ☐ Flood ☐ Landslide/Mudslide
☐ Hurricane ☐ Tornado ☐ Tsunami ☐ Volcanic Eruption

Please answer the following question:

How many days did you hunt on the permit? _____

Required Documentation:

- ☐ Documentation verifying the natural disaster occurred
☐ Notarized statement describing impacts of the qualifying natural disaster on your inability to use your permit
☐ Supporting documentation
☐ Completed harvest survey (if applicable)
☐ Original permit

In accordance with Utah Administration Rule R657-42, I hereby certify under oath that I am unable to participate in the noted activity due to a qualifying natural disaster or other qualifying condition as indicated above. I further certify that all information I have submitted to DWR in support of my permit is accurate and correct. I understand that submitting false or misleading information as part of my application may constitute a criminal offence. Application is subject to verification.
