*Multiyear licenses are not available to youth under 18 years of age.

Extend your current hunting, fishing or combination: If you currently have a valid hunting, fishing or combination license, and it is within 6 months of expiring, you may renew your license now and not lose any time remaining on your current license. You may extend your license for up to five years. There is a \$1 per year discount off the single year license fee for residents ages 18 – 64 and nonresidents age 18+. Residents age 65+ may extend their license up to five years at the regular face value per year. License extensions are not available for youth licenses.
