~~(1) A COR is required for all Type I fishing contests and all tagged fish contests. The requirements are listed in sections R657-58-4 through R657-58-6.~~

~~(12) Regardless of the size or type of contest, all boat operators must complete the Mussel Aware Boater Program online training provided at <https://dwrapps.utah.gov/wex/dbconnection.jsp?examnbr=504688>, and display the completed "decontamination certification form" on the dashboard of the boat transport vehicle for the duration of the fishing contest. An AIS Decontamination Certification Form found at http://wildlife.utah.gov/mussels/PDF/self_certify.pdf is required for all boating participants in fishing contests regardless of the size or type of contest. The form must be completed by each boat operator and displayed in the windshield of the boat transport vehicle for the duration of the fishing contest.~~

~~(23) Regardless of the size or type of contest, the contest sponsor shall verify and confirm that all boats operators participating in the fishing contest possess a completed Mussel Aware Boater Program "decontamination certification form". completed AIS Decontamination Certification forms.~~

~~(3) A COR is required for all Type I fishing contests and all tagged fish contests. The requirements are listed in sections R657-58-4 through R657-58-6.~~

(4) A COR is not required for Type II fishing contests and fishing clinics.

(5) A COR is valid for only one fishing tournament/tagged fish contest on one water.

(6) The division may request public comment before issuing a COR if, in the opinion of the division, the proposed contest has potential impacts to the public or could substantially impact a public fishery.

(7)(a) A COR may be denied for;

(i) failure to comply with the fishing proclamation and rule;

(ii) potential for resource damage;

(iii) location;

(iv) occurrence on a legal holiday or Free Fishing Day;

(v) public safety issues;

(vi) conflicts with the public;

(vii) failure to adequately protect state waters from invasive species;

(viii) problems with the applicants prior performance record; and

(ix) failure to comply with other state laws, including those applying to raffles and lotteries in Utah.

(b) The reason for denial will be identified and reported to the applicant in a timely manner. The division may impose conditions on the issuance of the Certification of Registration in order to achieve a management objective or adequately protect a fishery. Any conditions will be listed on the COR.

(8) All COR applications submitted for Type I fishing contests must include a written protocol for participants to disinfect boats and equipment to prevent the spread of aquatic nuisance species. The protocol must be consistent with division policy and rule.

(9)(a) COR applications are available at all division offices and online at the division's website.

(b) Applications must be received by the division at least 45 days prior to the contest. In some cases a public comment process [subsection R657-58-3 (4)] may alter the 45-day COR review period.

- (c) Variances to the COR review period may only be granted by the director.
- (10) A COR application must include:
 - (a) a copy of proposed rules for the contest, and
 - (b) a complete schedule of entry fees, cash awards and prize values.
- (11) Anyone conducting a Type I fishing contest or tagged fish contest must complete a post-contest report and that report must be received by the division within 30 days after the event is completed.
