“Our council’s mission is to advise rule makers with sound input by creating a collaborative environment that considers private and public interests and improves cooperation and working relationships across both sectors. Through open dialog and transparency we will work to create trust and a common approach to ensuring successful public and private fisheries.”

In compliance with the Americans with Disabilities Act - Persons needing special accommodations (including auxiliary communicative aids and services) for this meeting, should contact Staci Coons at 801-538-4718, giving her at least five working days notice.
