Strongly disagree

Do you have any comments about the buck pronghorn permit recommendations?

I'm concerned with the weapon percentage on the parker. They want to try a higher split. giving 60 archery permits is not a good thing. You bow hunt antelope different than any other species. Have that many permit holders fighting for water holes will be a nightmare. Going from 14 archery permits last year to 60 this year is definitely not a good thing for archery antelope hunting on that unit.
