

Which best describes your position regarding the proposed changes to Administrative Rule R657-5?

Strongly disagree

Do you have any comments about the proposed changes to Administrative Rule R657-5?

Dax is out touch with reality no one can havest report done i short time and his over sales of tags have ruined the northeast region for quality and quantity

Which best describes your position regarding the buck deer permit recommendations?

Strongly disagree

Do you have any comments about the buck deer permit recommendations?

Again Dax is out touch with reality increase in deer tags is insane we the people don't consider spike and 2 points adult deer for breeding or a 3 point a trophy
No quality or quantity has made utah a joke we to cut tags in half and build the herd and quit thinking juvenile to breed the herd

Which best describes your position regarding the once-in-a-lifetime species permit recommendations?

Strongly disagree

Do you have any comments about the once-in-a-lifetime species permit recommendations? (Mention the species, if applicable.)

Need to cut all cow moose tags out we need to build the herd if over population in one area transplant to another area that is hurting
All once in a lifetime tags should be cut in half of recommendations to build the herd for quality and quantity
All once in lifetime tags should be 60 day hunt
And no [REDACTED] flying to so called count the herd and scatter them this is hunter harassment they can fly in winter and count then like elk and deep

Which best describes your position regarding the bull elk permit recommendations?

Strongly disagree

Do you have any comments about the bull elk permit recommendations?

Again Dax is out touch with reality dont believe the age numbers on bookcliffs, manti,or diamond, I have seen the bulls that came of these units nothing over 5 years old people don't wait 20 years to kill a 320 or smaller bull

The whole state needs tags cut in half

And draw for every bull elk get rid of unlimited tags on open bull units and get rid of spike hunts for the love [REDACTED]

Utah used to be great but now my adult kids don't want to hunt utah no quality or quantity and to many tags on low grade units

Dax has ruined the northeast region dont let ruin the rest of the state

Which best describes your position regarding the buck pronghorn permit recommendations?

Strongly disagree

Do you have any comments about the buck pronghorn permit recommendations?

All permits need cut in half when I sit in rac meeting and they say the average buck taken is 2.5 years age there is something wrong with management to have teenagers be the breeding population

Which best describes your position regarding the antlerless permit recommendations?

Strongly disagree

Do you have any comments about the antlerless permit recommendations? (Mention the species, if applicable.)

There should be noooo

Antlerless permits in utah as bad as herds are hurting

I mite be a stupid rancher but if want to increase my herd I keep more females and more older males for breeding

Not get rid of them

Which best describes your position regarding the CWMU antlerless permit recommendations?

Strongly disagree

Do you have any comments about the CWMU antlerless permit recommendations? (Mention the species, if applicable.)

Cwmu need more access for public hunting and it needs to be enforced

With these land mafias

Which best describes your position regarding the recommended changes to Administrative Rule R657-43?

Neither agree nor disagree

Do you have any comments about the recommended changes to Administrative Rule R657-43?

Land owner tags need to stay on Private land only not be allowed to hunt public period

Which best describes your position regarding the recommended changes to Administrative Rule R657-55?

Neither agree nor disagree

Do you have any comments about the recommended changes to Administrative Rule R657-55?

Expo tags have gotten out of control and are robbing tags from public

Which best describes your position regarding the proposed Little Montes Creek WMA Habitat Management Plan?

Somewhat agree

Do you have any comments about the Little Montes Creek WMA Habitat Management Plan?

This great area needs to be public all the time

Which best describes your position regarding the proposed Willow Creek WMA Habitat Management Plan?

Strongly agree

Do you have any comments about the Willow Creek WMA Habitat Management Plan?

This one best managed in Utah and needs to be preserved

Which best describes your position regarding the proposed Upper San Rafael WMA Habitat Management Plan?

Strongly agree

Do you have any comments about the Upper San Rafael WMA Habitat Management Plan?

Totally agree

Which best describes your position regarding the proposed Cinnamon Creek WMA Habitat Management Plan?

Neither agree nor disagree

Do you have any comments about the Cinnamon Creek WMA Habitat Management Plan?

Has good and bad public access is a must

Which best describes your position regarding the proposed Swan Creek WMA Habitat Management Plan?

Neither agree nor disagree

Do you have any comments about the Swan Creek WMA Habitat Management Plan?

Public access is a must

Which best describes your position regarding the proposed Timpanogos WMA Habitat Management Plan?

Neither agree nor disagree

Do you have any comments about the Timpanogos WMA Habitat Management Plan?

Needs to be preserved for sure

Which best describes your position regarding the proposed Spencer Fork WMA Habitat Management Plan?

Neither agree nor disagree

Do you have any comments about the Spencer Fork WMA Habitat Management Plan?

Needs preserved for habitat fore sure

Which best describes your position regarding the proposed South Sanpete Valley WMAs Habitat Management Plan?

Neither agree nor disagree

Do you have any comments about the South Sanpete Valley WMAs Habitat Management Plan?

Needs public access for sure

Which best describes your position regarding the buck pronghorn permit recommendations?

Strongly disagree

Do you have any comments about the buck pronghorn permit recommendations?

I'm concerned with the weapon percentage on the parker. They want to try a higher split. giving 60 archery permits is not a good thing. You bow hunt antelope different than any other species. Have that many permit holders fighting for water holes will be a nightmare. Going from 14 archery permits last year to 60 this year is definitely not a good thing for archery antelope hunting on that unit.

Which best describes your position regarding the buck deer permit recommendations?

Strongly disagree

Do you have any comments about the buck deer permit recommendations?

stop adding deer tags to the uintah basin we are where you guys send all of the city people every year! we are sick of it we want our deer back we have nothing left winter range summer range! your biologist have no idea what they are doing other than sneaking in with their authority to shed hunt early on the tabi mountain area before people can get in there. maybe try cutting tags back one out of three years and see what happens. you guys will take take take until there is nothig left its all about money for you guys.

Which best describes your position regarding the bull elk permit recommendations?

Strongly disagree

Do you have any comments about the bull elk permit recommendations?

stop adding tags every time we get a chance. the elk have had a hard three years and you guys see a little increase and just add them again, the Wasatch unit is ruined. it is sickening to look where it was to what you guys have done to it in 7 years. rollercoaster is right, ruined. cut tags farther back. and get rid of the stupid spike tags you wait your whole life to hunt limited entry hunts and deal with more people than what you see on the general. stop taking. stop worrying about giving more opportunity and cut things back. utah used to be one of the best now its one of the worst! no new land owner tags!

Which best describes your position regarding the antlerless permit recommendations?

Strongly disagree

Do you have any comments about the antlerless permit recommendations? (Mention the species, if applicable.)

take a year off the antlerless, leave them alone.

Which best describes your position regarding the buck deer permit recommendations?

Strongly disagree

Do you have any comments about the buck deer permit recommendations?

I'm mostly commenting on the Wasatch East unit as it's the one I hunt the most. Your proposing adding 1000 more tags all together in that unit except this last year was the lowest success rate on bucks that it has been the last 5 years. If anything that unit needs tags cut. At least you cut 100 limited entry elk tags couldn't believe I saw that proposal. Your buck to doe ratio numbers are off and need to be adjusted please consider either cutting some tags or bare minimum leaving them where they are

Which best describes your position regarding the bull elk permit recommendations?

Somewhat agree

Do you have any comments about the bull elk permit recommendations?

Thank you cutting 100 limited elk tags in the Wasatch unit. That herd has been declining a lot between the bad winter of 22/23 and always adding more and more tags

Which best describes your position regarding the buck pronghorn permit recommendations?

Somewhat agree

Do you have any comments about the buck pronghorn permit recommendations?

Good to see all those Parker mountain doe pronghorn tags. Hopefully that means that antelope herd is doing a lot better then what it has been
