Somewhat disagree

**Which best describes your position regarding the proposed Sevier/Piute Big Game Winter Range WMAs Habitat Management Plan?**

Neither agree nor disagree

Which best describes your position regarding the CWMU recommendations?

Somewhat disagree

Do you have any comments about the CWMU recommendations?

Public land should not be included in any CWMU. With today's mapping systems there is no reason to include public land to make a recognizable boarder. Also, with the 10 Circuit ruling on corner crossing, we need to make every public acre available to the public and not include it in CWMU's.
