

**Which best describes your position regarding the proposed changes to the Dedicated Hunter Program?**

Strongly agree

**Which best describes your position regarding the proposed outfitters, guides and spotters rule?**

Strongly agree

**Do you have any comments about the proposed outfitters, guides and spotters rule?**

Outfitters in the state are getting out of control with their Army of spotters on the mountain. This has led to unfair chase and pushing the average hunter away from the sport.

**Which best describes your position regarding the CWMU recommendations?**

Strongly disagree

**Do you have any comments about the CWMU recommendations?**

If the Public can't hunt them neither should surrounding property owners. This idea opens up a public land vs Cwmu lands issue that will do nothing but cause problems. The Public is not benefiting from this at all.
