

Which best describes your position regarding the recommended tagging (and e-tagging) requirements?

Somewhat disagree

Do you have any comments about the recommended tagging (and e-tagging) requirements?

I think having a proper physical tag on the animal would aide in false poaching claims.

Also phones break, lose power , screens crack , go dead. I see this as being trouble causing.

Which best describes your position regarding the recommended tagging (and e-tagging) requirements?

Strongly agree

Which best describes your position regarding the recommended changes to the surrender and variance rules?

Neither agree nor disagree

Do you have any comments about the recommended changes to the surrender and variance rules?

None on this point

Which best describes your position regarding the recommended changes to the sportsman permits drawing and group applications?

Strongly agree

Do you have any comments about the recommended changes to the sportsman permits drawing and group applications?

I agree with these changes

Which best describes your position regarding the recommended tagging (and e-tagging) requirements?

Strongly disagree

Do you have any comments about the recommended tagging (and e-tagging) requirements?

I would prefer a dual option to use a paper tag and the possibly of e tag if I wanted but I had a choice between the two
