

Table 3b-1. May 1, 2023

Except as otherwise listed, all species are presumed prohibited. All species not listed will require an assessment before collection, importation, or possession will be authorized.

Domestic mammals and mammalian livestock not covered under this rule

Common Name	Scientific Classification	Comments
Bison, American	<i>Bos bison</i>	privately owned
Cat	<i>Felis catus</i>	including breeds that are recognized by The International Cat Association as Preliminary New, Advanced New, Non-championship, and Championship Breeds
Camels, llama, alpaca, vicuña, guanaco	family Camelidae	all species
Cattle	<i>Bos taurus</i>	
Chinchillas	<i>Chinchilla chinchilla</i> , <i>Chinchilla lanigera</i>	
Dog	<i>Canis lupus familiaris</i>	domestic including hybrids between wild and domestic species and subspecies
Elk	<i>Cervus elaphus canadensis</i>	privately owned
Ferret, European	<i>Mustela putorius furo</i>	domestic
Fox, red	<i>Vulpes vulpes</i>	privately owned, domestically bred and raised
Goat	<i>Capra hircus</i>	
Gerbil (= Mongolian jird)	<i>Meriones unguiculatus</i>	
Guinea pig	<i>Cavia porcellus</i>	
Hamster, golden	<i>Mesocricetus auratus</i>	
Hedgehog, "white-bellied", "African pygmy", etc.	<i>Atelerix</i> species	includes hybrids
Horse, donkey (= ass, burro), mule, hinny	<i>Equus caballus</i> , <i>Equus asinus</i>	includes hybrids (= mule or hinny)
Mink	<i>Neogale vison</i>	domestic
Mouse, house	<i>Mus musculus</i>	
Rabbit, European	<i>Oryctolagus cuniculus</i>	
Rat, Norway	<i>Rattus norvegicus</i>	
Sheep	<i>Ovis aries</i>	includes "haired" sheep

Sugar glider	<i>Petaurus breviceps</i>	
Swine	<i>Sus scrofa</i>	domestic
Tenrecs	family Tenrecidae	
Water buffalo	<i>Bubalus bubalis</i>	
Yak	<i>Bos grunniens</i>	
Zebu or "Brahma"	<i>Bos taurus indicus</i>	

Domestic birds and avian livestock not covered under this rule

Common Name	Scientific Classification	Comments
Pigeon (= Rock Dove)	<i>Columba livia</i>	
Chicken	<i>Gallus gallus</i>	
Ratites	infraclass Palaeognathae	ostrich, emus, rheas, cassowaries
Ducks	family Anatidae	distinguishable morphologically from wild ducks
Guineafowl	<i>Numida meleagris</i>	
Geese	family Anatidae	distinguishable morphologically from wild geese
Peafowl	<i>Pavo cristatus</i>	
Turkey	<i>Meleagris gallopavo</i>	privately owned

Noncontrolled mammals

Common Name	Scientific Classification	Comments
Patagonian cavy (= Patagonian mara)	<i>Dolichotis patagonum</i>	
Short-tailed opossum, gray (= "Brazilian")	<i>Monodelphis domestica</i>	

Noncontrolled birds

Common Name	Scientific Classification	Comments
Babblers, Old World	family Timaliidae	all species
Barbets	families Capitonidae and Ramphastidae	all species not native to North America
Broadbills	family Eurylaimidae	all species
Cotingas	family Cotingidae	all species

Estrildid finches, Waxbills, Mannikins, and Munias	family Estrildidae	all species
Fairy-bluebirds	family Irenidae	all species
Finches and Canaries	family Fringillidae	all species not native to North America
Honeyeaters	family Meliphagidae	all species
Hornbills	family Bucerotidae	all species
Icterids, Troupials, Blackbirds, Orioles	family Icteridae	all species not native to North America except Central and South American Cowbirds
Leafbirds	family Chloropseidae	all species
Megapodes (= Mound-builders)	family Megapodiidae	all species (scrubfowl, malleefowl, brushturkeys, etc.)
Motmots	family Momotidae	all species
Parrots	family Psittacidae	all species not native to North America
Pigeons and Doves	family Columbidae	
Rollers	family Coraciidae	all species
Sugarbirds	family Promeropidae	all species
Sunbirds	family Nectariniidae	all species
Tanagers, Swallow-tanager, and related species	family Thraupidae	all species not native to North America
Toucans	family Ramphastidae	all species not native to North America
Turacos, Plantain-eaters and Go-away-birds	family Musophagidae	all species
Vidua finches	subfamily Viduinae	all species
Weaver finches	family Ploceidae	all species
White-eyes and related species	family Zosteropidae	all species

Controlled mammals

Common Name	Scientific Classification	Comments
American marten	<i>Martes americana</i>	captive-bred
Bobcat	<i>Lynx rufus</i>	captive-bred
Capybaras	<i>Hydrochoerus hydrochaeris</i> , <i>Hydrochoerus isthmus</i>	
Eurasian lynx	<i>Lynx lynx</i>	captive-bred
Fallow deer	<i>Dama dama</i>	captive-bred
Fennec fox	<i>Vulpes zerda</i>	

Hedgehogs	family Erinaceidae	except "white-bellied" (see domestic animals)
Kangaroos and wallabies	family Macropodidae	
Muskox	<i>Ovibos moschatus</i>	captive-bred
Shrews	family Soricidae	
Two-toed sloths	<i>Choloepus didactylus</i> , <i>Choloepus hoffmanni</i>	
Zebras	<i>Equus zebra</i> , <i>Equus grevyi</i> , <i>Equus burchellii</i>	all species

Prohibited mammals—known detrimental impacts to native wildlife populations, human health and safety, or agriculture. Personal possession will not be authorized.

Common Name	Scientific Classification	Comments
Bats	order Chiroptera	
Bears	family Ursidae	all species
Big cats	<i>Panthera leo</i> , <i>Panthera tigris</i> , <i>Panthera pardus</i> , <i>Acinonyx jubatus</i> , <i>Uncia uncia</i> , <i>Puma concolor</i> , <i>Panthera onca</i>	lion, tiger, leopard, cheetah, snow leopard, cougar (= puma), jaguar, or any hybrid of these species; in accordance with Federal Big Cat Public Safety Act
Nutria (= coypu)	<i>Myocastor coypus</i>	
Primates	order Primates	all non-human species
Raccoon dog	<i>Nyctereutes procyonoides</i>	
Reindeer	<i>Rangifer tarandus</i>	
Virginia opossum	<i>Didelphis virginiana</i>	
Wolf	<i>Canis lupus</i>	
Eurasian boar, all non-domestic swine	<i>Sus scrofa</i>	Eurasian boar, Russian boar, wild boar, wild hog, razorback, or feral swine. Does not include domestic swine
Big game (see below)		
Bighorn (= mountain sheep)	<i>Ovis canadensis</i>	
Bison (= American bison)	<i>Bos bison</i>	
Elk	<i>Cervus elaphus canadensis</i>	
Moose	<i>Alces alces</i>	
Mountain goat	<i>Oreamnos americanus</i>	
Mule deer	<i>Odocoileus hemionus</i>	
Pronghorn	<i>Antilocapra americana</i>	

White-tailed deer	<i>Odocoileus virginianus</i>
